

Certification day of Vermi-Compost Training

- On 16th July 2022, we completed our 3 months vermicomposting & waste management training at Kirtipur-6 for our women's group who are enthusiastic about taking this to the next level by adopting it as a business. Kudo's to the team. Thank you, Tewa who has supported us to make it happen.

- On 5th July 2022, we attended a meeting where our ward women's group formed an association to work together for a # social cause at Kirtipur ward number 9.

- On 7th July 2022, we had a special day for our volunteers as well as for our organization. We had a chance to have our Ex-trainee Lion Devaki Poudel conduct training about positive thinking for our volunteers.

FUND RAISING EVENT FOR

SCHOLARSHIP PROGRAM 2022

ABOUT OUR SCHOLARSHIP PROGRAM

Participate in our Mehndi Event where you can support us by receiving our mehndi service from our volunteers. The fund raised through this event will go towards scholarship of a girl child education.

ORGANIZED BY: WOMEN EMPOWERMENT CENTRE

SUPPORT A GIRL CHILD EDUCATION

Fund raising Events

- On 16th July 2022, We had a great start on our fundraising program. We had good supporters and enthusiastic volunteers who made it happen. We are very grateful to each one of you. Thank you.

- On 15th August 2022, at fund raising stall with Srijana Bhauju. This event was organized by Srijanseel mahila and supported by Kirtipur Municipality. We are grateful to our sponsors who supported and motivated us to participate in this fundraising event.

- On 2nd September 2022, we had a business meet with our local entrepreneurs to discuss about the marketing issue and the demand and supply. We had an insightful discussion with the enthusiastic and innovative women entrepreneurs from Kirtipur with the vision to sprout their regional businesses.

Women In Politcs

On 11th September 2022, We had a open discussion forum regarding meaningful participation of women in politics. Participation of women in politics is the need of an hour. This Year choose women first against all. We had a fruitful workshop on the Meaningful Participation of Women in Politics to promote more participation of women. We would like to thank IGFF, Rita Thapa Dijju, and Prof. Kapil Shrestha Ji for their motivation with the fruitful and meaningful statements.

- On 17th September 2022, we participated in yet another fundraising event organized by With Locals Nepal. We are grateful to the organizer team for this opportunity. Beautiful place with warm people around. we were able to raise some funds by selling our handicraft products.

- We had a fundraising event through selling raffle tickets for our skill development training and scholarship program. We would like to thank each and every one for your kind support. Yesterday 24/09/2022 (08/06/2079B.S) we had an opening of grand raffle tickets and best wishes for good health and prosperity on the occasion of our festivals Dashain, Tihar, and Chatha.

We are glad to announce our result and publish it.

Congratulations to all the winners and thank you once again for your kind support.

- On 24th September 2022, On the occasion of cancer awareness month (October 2022), we conducted a cancer awareness campaign on Breast Cancer, Ovarian Cancer, & Cervical Cancer in Women.
- We would like to show our gratitude towards GOSON (Gynecology Oncology Society of Nepal) and special thanks to Dr. Sheela Burma, The president of the organization who managed to organize the program in this short period.

"We really appreciate your support in our different skill development training and camps for marginalized women and girls. We still need to work harder to bridge the gap of gender inequality in every corner of Nepal. If you would like to support us, please write to contactus@orange-butterflies.org or visit us at www.orange-butterflies.org".
